# A school with a vast history...

**Manor School was established on 13<sup>th</sup> March 1812, welcoming 200 boys to the school's first site, Merchant Taylors' Hall. However, in 1813 Manor School moved to King's Manor where it stayed for 109 years, until 1922.**

**In 2009, Manor School moved to its current site on Millfield Lane, becoming an academy in 2011. Over its 213 years, Manor School has educated thousands of students, and our new Year 7 will be our next step in our long history.**

# The House System

Each new student will be placed into one of our houses and compete over the year in a series of challenges to see who will win that year's house cup.

# The Transition Days:

- Wednesday 2nd July and Thursday 3rd July.  
Students will spend time in their forms, touring the school and seeing what lessons are like.
- Day will run from our meet and greet between 09.00am until 15.00pm
- Lunch will be provided (meal or sandwich) but pack lunches can also be brought.
- Students will need to be in their primary school uniform, bring a water bottle and some stationary. Students may also want to bring a snack for break-time and a jacket if cold. Trainers are suggested.
